APPLICATION:

Apply Seed+ Graphite to the seeds before planting. Application should be made in such a way that all seeds are thoroughly coated. Fill seed hopper box half full of seeds, apply half of the recommended dosage of Seed+ Graphite and stir completely. Fill the hopper box with the remaining seeds, spread the other half of the recommended dosage of Seed+ Graphite on top of the seeds and stir again. Keep seeds dry until planting.

CROP	APPLICATION RATES	
	oz per 100lb seeds	kg per 100kg seeds
Alfalfa	4	0.25
Barley, Oats, Rye	4	0.25
Corn	8	0.50
Cotton	12	0.75
Milo, Millet, Sorghum	10	0.63
Peanuts	4	0.25
Rice	4	0.25
Soybeans	4	0.25
Sugar Beets	8	0.50
Sunflowers	4	0.25
Wheat	4	0.25

For crops not listed, consult your dealer / distributor.

STORAGE

Store in a clean dry place, above 0°C (32°F) and below 43°C (110°F). Keep container tightly closed. Do not store in direct sunlight. Store locked up. Dispose of contents/container in accordance with local regulations.

PRECAUTIONARY STATEMENTS

PREVENTION

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/clothing and eye/face protection. In case of inadequate ventilation wear respiratory protection. Contaminated work clothing must not be allowed out of the workplace. Do not breathe dust / fume / gas / mist / vapors / spray. Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product.

RESPONSE

Specific treatment (see supplemental first aid instructions on this label). IF exposed or concerned: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue

IMPORTANT NOTICE

Read the entire label. Use only in accordance with the label instructions. Use in conjunction with a normal fertilizer program. Seed+ Graphite is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the nutrients normally required by plants. If terms of Limited Warranty are unacceptable, return unopened product at once.

NOTICE

Application of products containing molybdenum may result in forage crops that contain levels of molybdenum that are toxic to ruminant animals. The proper use of soil and/or petiole test recommendations will minimize the risk of over-application of molybdenum.
